

Sustainability Policy

Our mission is to source all products in a sustainable and ethical manner. We believe that it is possible to create beautiful, high-quality products, without harming the environment or the people who make them.

We are committed to:

Sustainability: We believe that it is our responsibility to protect the environment and to use resources wisely.

Ethics: We believe in fair trade and ethical labour practices.

Transparency: We are committed to transparency and accountability in our sourcing practices.

Our goals are to:

- Reduce our environmental impact by using sustainable materials and practices.
- Support ethical labour practices by working with fair trade partners and paying fair wages.
- Be transparent about our sourcing practices,

We will achieve our goals by:

- Working with suppliers who use sustainable materials and practices.
- Promoting fair trade and ethical labour practices.
- Investing in research and development to find new, more sustainable ways to source luxury products.
- Educating our customers about sustainability and ethical sourcing.

We are committed to the following commitments:

- We will source our products in a sustainable and ethical manner.
- We will be transparent about our sourcing practices.
- We will support fair trade and ethical labour practices.
- We will research to find new, more sustainable ways to source luxury products.
- We will educate our customers about sustainability and ethical sourcing.

We believe that by taking these steps, we can make a positive difference in the world. We are committed to doing our part to protect the environment and to ensure that the people who make our products are treated fairly.
